POSITIONS

LEADERBOARDS display when the browser is 768 pixels or more wide. They can be:

- top - above the navbar/header
- bottom - above the footer.

RECTANGLES A medium rectangle appears on article pages in the left column when the browser is at least 768 pixels, or below the article when the browser is under 481 pixels. This is replaced by a small rectangle in the left column when the browser width is 481 to 767 pixels.

SHARE OF VOICE

A maximum of three advertisements will appear in each advertising position, sold on a first come basis. This number will be reviewed annually.
